**Principal’s Musings**

Friday 18th November

Student Free Day

It was great to see our 5/6 Choir & Instrumental Music students perform at the Murray Mallee Regional Choir Festival on the 25th of October. I was impressed by our student’s enthusiasm and poise in front of such a large crowd (the show was a sell-out). Thanks to the students who represented our school proudly and Mrs Schilling and Mrs Wandel for the months of preparation that went into this event. If you missed the show you still have the opportunity to view a performance on Presentation Night later this term.

The School Leadership team has been considering class structures for next year; estimating our staffing entitlement we have decided to develop two Year 1/2 classes as it gives us smaller class sizes and will allow two teachers to work together on shared curriculum. This is a rare opportunity in a school our size, we expect the rich conversations between teachers will lead to further improvements in our quality of teaching.

The Governing Council is holding its AGM at 7:30pm on Wednesday 30th November. This meeting includes the opportunity to nominate for open positions, all parents are invited to attend.

On the Preschool front I’d like to extend my congratulations to Alana who will be returning next year to continue her great work in the Preschool. Michelle and Alana are working extremely well together to provide a stimulating environment for our Preschoolers.

During our recent bushfire drill both School and Preschool students were calm and orderly as we evacuated the school and moved to the War Memorial Hall. Please remember that in the event of a bushfire students will only be released with the express consent of their parents. Now is a good time to review your bushfire action plan, if you cannot collect your child/children do you have an alternative plan?

If you visit the school for a few hours near the start or end of the school day please try to leave the carpark between the school entrance and Preschool free for student pickup/dropoff. Last term our arrangement appeared to work well however it has recently been brought to my attention that less parks have been available lately. As a community we should be able to manage this effectively.

**Head Lice Detected**

We have been informed that Head Lice has been detected in the School. If you detect active Head Lice or Nits your child/children may return to school after the treatment has commenced. Please ensure the full course of treatment is applied so as to prevent re-infection. If you require any further information, please contact the School.
Paddle Pop Stick Bridges
For the last couple of weeks of last term and the first week of this term, students have been making model bridges using sticky tape and pop sticks. This was part of their Chemistry topic concerning the materials that things are made of and their uses.

The strength of the bridges was tested on Friday 27th October and students were both excited and full of suspense – were their bridges going to be able to hold 2kg for 1 minute without breaking?

The air was full of anticipation as each group came forward – and all 6 bridges passed the test! The group whose bridge “made it” and which used the least number of pop sticks won. The winning group consisted of Matilda Hawkes, John Hillier and Logan Whitford.

We then tested each bridge to see how much weight it could hold before breaking. More excitement as the winning bridge was first to be tested till breaking point! But it still didn’t break after using up all the weights there were in the laboratory!

All the other bridges held together, too, although some only just. We put over 21kg on the bridges and most barely bent! Not bad for something 35cm long and 1 pop stick wide and stuck together with meters of sticky tape! The arches or trusses didn’t contribute to the strength of the bridges.

It was an exciting and rewarding lesson for the students. Now they are teaching their pet alien about life on Earth. Each student has a “Little Book of Living Things” and students are filling it in with great gusto. At the end they and their alien should know all about the Kingdoms of living things.

Here are some photos of the testing of the pop stick bridges.

Matilda, John and Logan’s bridge won.
SAPOL YOUTH LEADERSHIP CAMP 2017

Towards the end of last term, the South Australian Police, through the Special Tasks and Rescue (S.T.A.R) Group, invited all South Australian Secondary Schools to nominate one student to be considered for their Youth Leadership Camp in January 2017. This is a residential camp to be held at the Echunga Police Reserve from 8th January until 13th January and involves interacting with “outstanding and high achieving members of the South Australian Police and other leading organisations within our community”.

Three students from our school were interested and prepared applications based on the SAPOL criteria. Names were removed to enable Monica Williams to select the application that would become our nomination. This student was then required to complete a lengthy questionnaire relating to the criteria, how they would benefit and how they could motivate others.

Only twelve male and twelve female students were selected from nominations from over 290 schools.

We are very proud to congratulate Marijo Richards who was selected to attend this camp. Well done Marijo!

**Bird Aviary**

On Sunday the 6th of November, Brian Dabinett, the President of the Lower Murray Bird Club brought down some birds donated by several members of their club for our freshly restored aviary. The birds included breeding pairs of Princess Parrot, Burke Parrots, Scarlet Chested Parakeets and a single King Parrot. Our hopes are for these birds to breed so we can continue to have birds in our aviary for the continually future. Feel free to come see our beautiful new birds. Gema Harvey and I decided to do this project halfway through the year and thanks to the team work and the help from Mr Harkness, and Mr Schulz and many others, we managed to complete it.

*Elsa Keller*
Bird Aviary Coordinator and Vice President, SRC
Photography

Congratulations to Cherie Kennett who did exceptionally well with her photography at the Coonalpyn Show on October 15th. Cherie was successful in gaining 4 first prizes, 2 second and 2 third and she won the trophy for the ‘Most Successful Photography Exhibitor in Year 8-12.

Mrs Sheryl Schilling

Murray Bridge Rotary Club Youth Art Prize

Congratulations to Jaimie-Lee Larcombe for winning the sculpture section at the Rotary Youth Art Competition held on 6th October, which was a cash prize of $250. Jaimie-Lee sculpted a spade using clay and attached a Mallee branch as the handle. Her spade was painted with a family crest which she designed in Art earlier in the year.

Mrs Sheryl Schilling

Festival of Music

The Murray Mallee Festival of Music was held in Murray Bridge on October 25th and 26th. There were nine schools from around the Murray Mallee who participated over the two days with Tintinara performing on the 25th. There were 11 students from Tintinara who were able to perform, with 3 taking on very special roles. Dallas Merry and Lidia Keller both performed solos as part of the repertoire, Lidia being very brave singing all by herself, whereas Dallas sang with other students. CJ Borchardt acted as compere for the second half of the program.

The other exciting part was the Tintinara music ensemble performed as assisting artists. We can be very proud of the standard that Tintinara students display as well as their excellent behaviour and attention. The choir will next perform at the end of year Presentation Night.

Tintinara Area School
On Friday the 5th November, students from Coomandook, Karoonda, Keith and Meningie travelled to Tintinara Area School to compete in the Super 8 Cricket carnival. There was a girls' team and a boys' team for Tintinara. Both teams had some tough competition from a few of the other teams. The boys went through the day undefeated. The girls battled hard but didn't manage to get a win on the board. It was good to see all the students having a good time and trying their hardest no matter what the result. There were a few games on the day that did not get completed as some schools having to get back for buses. I would like to thank Keith Harkness and Scott Schulz on getting the ovals mowed and pitches marked out for the day, staff for supervision of students, the students for their help setting and packing up, Zara and Elsa Keller and Gema and Peggy Harvey for helping with the scoring and umpiring, Ethan Millington and Kyle Waugh helping on the drink stand and the Action Club for putting on a BBQ lunch everyone.

2016 CURRICULUM AWARDS
Invitation to Tintinara Community Members and Businesses
The end of year is fast approaching and the time has come again where we are inviting community members and businesses to show their support of our students. Each year we honour our students who have achieved excellence in academic fields with a book prize they are able to keep for the rest of their lives as a memento of their schooling at Tintinara Area School and the success they achieved.
We are inviting community members and local businesses to sponsor an award with a monetary donation. To acknowledge your sponsorship, a plaque will be placed in the book prize and announced when the award is presented to the winning recipient at Presentation Night. The sponsorship package costs $44 and a tax invoice will be supplied to you/your business.
Award sponsorships we are looking for this year are as follows:
Outstanding Academic Achievement – Each individual year level Three through to Ten
Outstanding Application and Effort – Each individual year level Foundation through to Ten.
If you are able to sponsor a book prize this year, we invite you to fill out the form below and return it to the front office by Monday 30th November. If there is a specific year level that you would prefer to donate to, please make a note of it on the form below; this will be chosen on a first reply received basis.
We thank the Tintinara Community for their continual support of our school and students, enabling a bright future for us all.

☐ Community member or Business Name: _____________________________________________

I/We would like to sponsor a book prize for Presentation Night 2016 for $44.00.

If there is a particular year level you would like to sponsor, please write it below (Foundation - Year10).

**CounterPunch for Teens**

CounterPunch is an integrated coaching program for young people using boxing training to teach them the skills and strategies to respond to life’s challenges and opportunities.

Young people will improve the ability to control their own behaviour, gain more respect for others and to take responsibility for setting personal goals and decision making.

The physical activity is a powerful means of developing an awareness of self. By identifying what’s happening in the body as a result of physical activity participants begin to understand the connection between the physical body, thoughts and emotions.

This connection is then related to life’s challenges and a toolbox for effective communication and performance is established.
