Diana: I enjoyed abseiling as it was my first time. I also liked canoeing because we did other activities like races and obstacle course.

Ellie: I liked panning for gold because I hoped to get some of the $1000 worth of gold which was dropped into the water each week. I also enjoyed abseiling. It was scary going over the edge.

Erin: I was scared to do abseiling but I gave it a go and enjoyed it in the end. I also enjoyed Mountain-bike riding even though it was really hard work.

Katelyn: I loved abseiling and rock-climbing. They were both really scary. I also enjoyed the reflector night walk with torches.

Ebony: The best part of the camp was bonding more with others. I also went canoeing with Ms Rohan and my hat went into the water. We had to get it out.

Tom: The best part of the camp was at the Big 4 Park with the pool and games.

Josh: The best part was staying at the Grampians retreat, abseiling and rock-climbing. I liked panning for gold.

Daniel: I enjoyed the rock climbing and abseiling. I enjoyed mountain bike riding because it was something different.

Sophie: I was pleased to climb the rocks and abseil down.

Wes: I enjoyed the kayaking and the abseiling.

Kira: It was exhilarating up high when abseiling and rock-climbing. It was fun being up so high. I also like the night reflector work and seeing how everything seemed different at night.

Tyson: The best thing about the camp was abseiling, rock-climbing and bike riding.

Charlton: Abseiling, rock-climbing and Mountain-bike riding were the best.

Nick: The highlights were the story of the drop bear and the rock-climbing.

Bill: Best moments on the camp were Mountain-bike riding and listening to stories around the fire.

Ms Rohan: My highlights were getting the trailer lights working, surviving a night in a collapsed tent (thanks girls for putting it up!), sleeping in the trailer, spending time with some splendid young people, taking navigation instructions from Mr Carter and Wes Sanderson.

Mr Carter: Swimming in the pool, beating Nick up the mountain on the bike and getting outside………
